## HIGHLIGHTED FUNDING OPPORTUNITIES

### Submission of Applications over the Christmas Period

#### GOSH Applications

Over the Christmas period, the R&D office will be working at reduced capacity due to staff annual leave. If you are applying for funding with a deadline over the Christmas period or in early January please register your project with the R&D office by **6 December 2019**. All other applications must be registered at least 15 working days before the deadline as usual.

#### UCL Applications

UCL Research Services will close on Friday 20 December at 5pm and re-open at 9am 2 Jan 2020. For proposals to be checked and submitted prior to the Christmas closure period the Worktribe pro-posal must be at 'Bid Approval' status with Pre-Award by **5pm Wednesday 11 December**. Where proposals are required to be submitted via an online funder portal, the proposal must be on the portal with Research Support by **9am Thursday 19 December**.

**Please ensure you acknowledge the BRC in your publications.** NIHR Great Ormond Street Hospital Biomedical Research Centre (BRC) has provided important infrastructure funding for research at the Great Ormond Street Institute of Child Health (ICH) and Great Ormond Street Hospital (GOSH), since we were first awarded BRC-status in 2007. This research infrastructure contributes to all research that goes on at the ICH and GOSH, and it is very important that it is acknowledged in all our publications, including conference and meeting abstracts. Full details of how to acknowledge the BRC can be found [here](#).
