Explore GOSH BRC Funding

Please note, due to challenges around home-working and staffing, ICH Finance Team **will now require 7 working days to produce costings for any research**. To ensure that an application for COVID-19 research is prioritised, please put COVID-19 and the deadline into all relevant email subject communications.

Check out regular updates from UCL Research Services on major research funder's guidance on COVID-19 and advice for researchers <https://www.ucl.ac.uk/research-services/news/2020/may/covid-19-impact-research-funding>

[Grants Advice team collated Funding opportunities list— COVID 19 research](#)

We have added a new section to our funding opportunities list, which you can check out on our website.

[COVID-19 Funding Opportunities](#)

Here you can find a collection of open funding calls and other support for researchers, non-profit organisations and commercial organisations worldwide. Updated daily.

[UCL's list of Funding Opportunities on COVID19](#)

Latest research funding opportunities from external funders aimed at addressing the COVID-19 pandemic and its impacts.

[ERUK Annual Grant Round 2020](#)

Opens soon (May 2020 according to website)

Pilot studies

Up to £30,000 across 2 years. Awarded to a research team to test a novel research idea and provide evidence to leverage larger funding amounts.

Project Grants

Up to £200,000 across 3 years. Awarded to a team with a track record in epilepsy research to investigate a research question based on prior evidence.

Fellowship Award

Up to £300,000 across 4 years. Awarded to an early career researcher to develop their skills and knowledge in order to become a leader in epilepsy research.

[HEE's Innovation Voucher Competition](#)

Deadline: 13 July 2020

Open to all NHS staff the competition supports the development of novel medical technologies. Entries are limited to those supporting the development of **physical devices**. Ideas that include software as a feature are eligible, but ideas that are solely software based are excluded.

This competition is sponsored by *eg technology ltd* who will work with the winners to develop and progress innovative ideas through activities such as:

- Ideation workshop
- Design review
- URS and PSR development

The [GOSH BRC's funding calls](#) are starting to re-open after they were paused during the initial COVID-19 lockdown. Highlights include:

- GOSH BRC Catalyst Fellowships for Clinical and Non-Clinical Trainees. **Deadline: 10 June 2020**
- GOSH BRC Patient and Public Involvement and Engagement call. **Deadline: 26 June 2020**
- GOSH BRC Doctoral Training Support Fund. **Deadline: 24 June 2020**
- GOSH BRC and ORCHID Internship call. **Deadline: 1 July 2020**
- COVID19 research proposals are also accepted on an ad hoc basis for small funding. Please contact BRC@gosh.nhs.uk to discuss your idea.

GREAT ORMOND STREET
INSTITUTE OF CHILD HEALTH

[Child Health Research PhD Studentships 2021-22](#)

Deadline: 15 June 2020

[GOS ICH / University of Toronto PhD Studentship - Call for Collaborative Projects with UoT](#)

Deadline: 17 July 2020

Project outlines are invited for adoption to ICH PhD portfolio.

[NIHR – Global Effort on COVID-19 \(GECO\) Health Research](#)

Deadline: 28 Sept 2020

Funding call aiming to address COVID-19 knowledge gaps focusing on understanding the pandemic and mitigating its health impacts in LMIC. The call prioritises epidemiology, clinical management, infection control and health system responses.

[Global mental health seed funding](#)

Deadline: 17 July 2020

Research proposals that have the potential to transform mental health services for young people aged 10 to 24 in LMIC. Funding of up to £146,000 GBP is available for projects of 18-24 months.

[20/37 Health Technology Assessment Programme Researcher-led \(evidence synthesis and primary research\)](#)

Deadline: 17 July 2020 and 28 July 2020

[HS&DR Programme: Tips for applicants](#)

Check out the top tips by NIHR if you are considering to apply for HSDR programme. A strong application should address:

1. Importance to the NHS
2. Assessing the problem to be investigated
3. Planning your study
4. The research team

European Research Council

[Advanced Grant 2020—last chance to apply!](#)

Deadline: 26 August 2020

Up to a maximum of €2.5 million for a period of five years to active, well established researchers of any nationality who wish to carry out their frontier research, in any field or subject, in the EU Member States or associated countries.

Please ensure you acknowledge the BRC in your publications! NIHR Great Ormond Street Hospital Biomedical Research Centre (BRC) has provided important infrastructure funding for research at the Great Ormond Street Institute of Child Health (ICH) and Great Ormond Street Hospital (GOSH), since we were first awarded BRC-status in 2007. This research infrastructure contributes to all research that goes on at the ICH and GOSH, and it is very important that it is acknowledged in all our publications, including conference and meeting abstracts. Full details of how to acknowledge the BRC can be found [here](#).
