

Muscle biopsy charges for private patients

The charges below are inclusive of laboratory costs and consultant fees. The figures are estimates for a standard biopsy specimen, but may vary slightly if additional diagnostic tests are performed.

Service	Charge
Histology review (external stained slides)	£ 450
Histology review (electron microscopy images)	£ 110
Routine diagnostic panel (histology, histochemistry and immunohistochemistry)	£ 2000
Electron microscopy (tissue processing and image analysis)	£ 500
