fax: 020 7829 8847

- **What are these sheets?** This series of information sheets aims to introduce the reader to a variety of the social problems faced by GOSH families who come to see us.
- **Who should read them?** They are aimed at all who have an interest in supporting families with social security law, e.g. benefits, debt, money management, housing, community care, and others.
- We hope that you will find them accessible, useful and enlightening of the kind of work we do and what you can do to help.
- The series currently includes:
 1. Disability Benefits (DLA, Carer's Allowance, and others)
 2. Income Support, Jobseekers Allowance, Employment & Support Allowance and Universal Credit
 3. Child Tax Credit
 4. The Benefit Cap
 5. The Bedroom Tax
 6. Housing and Homelessness
 7. Community Care (including s.17 Children Act 1989)
 8. People from Abroad (including returning British nationals)
 9. Health Inequalities
- These sheets are written and edited by Nick Wright and Matthew Jay. We welcome your feedback. Let us know what you think of them and what else you would like to see by calling us on 020 7829 8896.

Disclaimer

June 2016

We have endeavoured to ensure the information in these sheets is correct at the time of print. Social security law, however, is a rapidly developing area of law and the information in these sheets may soon be out of date. No liability is accepted for their use by any party.

Any queries regarding these sheets should be directed to us on 020 7829 8896.
