

**PRO FORMA TO BE FOLLOWED FOR PATIENTS WHO
HAVE BEEN ADMITTED TO CCC and require ICU discharge summary**

ALL SUMMARIES MUST BE DICTATED.

SpRr/Fellows to file Discharge summaries typed by themselves in the **K drive:CCC/Discharge folder. Any summaries typed by secretary are also filed in there if they are unfinished, unchecked, or if the child may be transferred out of office hours/weekends. Summaries should only temporarily be filed in this folder, and will be removed after they are completed/checked. Anyone searching for an older completed summary should look in **K drive: Patients/Hospital** number.**

Finalised summaries (checked by Consultant) are filed in K drive: Patients/Hospital number. A copy for ECMO patients is also in the I drive: ECMO/Discharge summaries folder (limited access).

This sheet is for guidance only - please do not complete, dictate all summaries.
