

# Compassionate Extubation Simulation-Based Study Day

**Monday 26<sup>th</sup>  
February 2017  
8:30am – 5 pm**

**Clinical Simulation Centre,  
Level 4, Nurses Home, GOSH**

This multi-disciplinary simulation study day brings together participants from a variety of backgrounds.

Working with professional actors, and through a combination of taught sessions, simulation and debriefing, you will go through and learn about the process of transferring a ventilated child from intensive care for an out-of-hospital, hospice based extubation.
