

PAEDIATRIC & ADOLESCENT CHRONIC FATIGUE SERVICES - UK

Bath Specialist Paediatric CFS/ME Service

Royal National Hospital for Rheumatic Diseases
Upper Borough Walls
Bath
BA1 1RL

Tel: 01225 473425

Team administrator: Heather Hill, Clinical Lead: Dr Esther Crawley, specialist paediatrician
The Bath paediatric ME/CFS service provides local, regional and national assessment and treatment for over 450 children and young people each year. It is now open to the 'choose and book' appointment system run by the NHS. This means that children or adolescents anywhere in the country should have access to their out-patient service for advice on either diagnosis or management through a GP referral.
