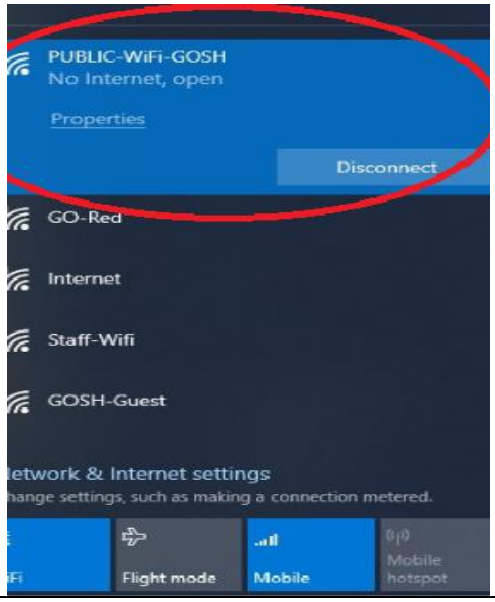
Great Ormond Street Hospital for Children NHS Foundation Trust

Connecting to the GOSH Free Public Wifi

Our guests can use wifi by self-registering to our Wifi service.

From a mobile device

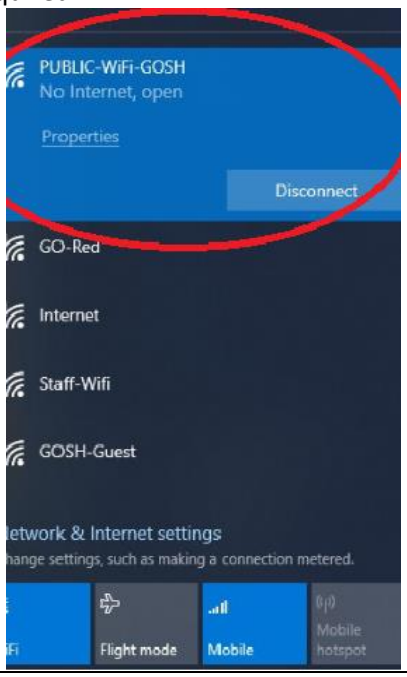
1) From your device go to the **Settings icon,** select **Wi-Fi** and **select 'PUBLIC-WiFi-GOSH**' wireless network



2) A sign in page will be displayed and a button option for either Staff or Guests

3) Details of your account will be displayed, including the expiry time. Finally click **Log In**

Staff:

Guests:


4) The device will then be joined to the public wireless network; no further action will be required.
