Practical Neurology Study Days

18 – 22 April 2016

Council Chamber, Royal College of Paediatrics and Child Health (RCPCH)
5-11 Theobalds Road, London, WC1X 8SH

An annual series of study days which aim to help clinicians update and improve their approach to the diagnosis and management of neurological problems in children.

Each day focuses on a different range of subjects – delegates can attend the whole course or individual days.

The course uses a combination of lectures, case presentations, slides and videos.

Emphasis is on the best current approach to the practical management of a selection of common problems.

The RCPCH has approved this activity for up to a total of **31 CPD credits**, in accordance with the current RCPCH CPD Guidelines, and allocated as follows:

Day 1: 6.5 CPD Credits
