Protecting children from infection

Wash your hands.

Before going near your child’s bed.

After using the toilet.

Before making food

Stop and ask us if we have washed our hands.

Keep the area near your child’s bed tidy.
Protecting children from infection

If you feel ill, tell the nurses and do not visit.

Keep the kitchen clean and tidy.

Throw away any food that has gone bad.

If you have any questions, ask your nurse.
