

STEP-BY-STEP GUIDE TO ACCESS PICU CORE CURRICULUM RECORDINGS

Check your computer has Internet connection and speakers

Go to <http://cats.webex.com>

Click on Recorded Sessions (left hand side menu).

Click on Get Info to find out more about the lectures.

The screenshot shows a web browser window displaying the 'Recorded Sessions' page of the Children's Acute Transport Service WebEx Training Center. The page features a search bar, a table of recordings, and a 'Get Info' button circled in red.

Recorded Sessions

Search for:

All training session times in: GMT DT

Otherwise, just select the Recording of your choice and click View

You may be prompted to download Webex Player. Say Yes and wait for download (usually <5 min).

The recording should open automatically. You can pause, fast-forward and rewind to the section you want to see. Alternatively, click Controls → Segment → Go To. You can then choose to skip to one of the three lectures (they are titled).
