## Grants Advice Service

The [grants advice team](#) provides comprehensive advice to all staff and students based within UCL GOS ICH and GOSH. We support all grant applications, from large programme grants to smaller project grants and fellowship awards. We can:

- Advise on suitable grant funders and funding streams
- Assist with the preparation of applications
- Suggest the involvement of other support services and external agencies
- Provide feedback
- Arrange mock interviews.

We can also give advice regarding the long-term sustainability of your research and ways in which your programme of research can develop.

To access support please email: [Grants.Advice@gosh.nhs.uk](mailto:Grants.Advice@gosh.nhs.uk). We recommend that you contact the Grants Advice team as early as possible to ensure we can provide you with adequate support.

## Research Registration

The [registration form](#) has been updated to reflect the new GOSH structure. Please ensure you use the new form for all new registrations. All research projects must be registered with the [R&D office](#).
