

## Great Ormond Street Hospital for Children NHS Trust: Family File

### Going home

Use this sheet to make a note of any special instructions for going home. Remember that you will be given a discharge summary and a copy will be sent to your family doctor (GP). Each stay in hospital is different, so not all the sections here will be relevant to your child.

**Date left hospital**

**What can I expect when we get home?**

**What should I watch out for and what do I do if it happens?**

**How do I contact the ward or department?**

**What medicines does my child need?**

**When and how should my child take them?**

**How do I get a repeat prescription?**
