GOSH OPEN DAY
**TO INFINITY
AND BEYOND**

**SHARE YOUR VISION
FOR THE FUTURE
OF GOSH**

MISSION DATE AND TIME:
TUESDAY, 9 JULY 2019, FROM 11AM TO 3PM

I AM SOTA THE ROBOT AND I INVITE YOU TO AN OPEN DAY WHERE YOU CAN TAKE A JOURNEY THROUGH SPACE AND TIME

This fun and futuristic event for patients, parents/carers and their families will include activities for all ages and a 'pop-up' moon area will provide a quiet space for you if you have specific communication needs.

You can travel along a time trail through the hospital to see behind the scenes and learn about the teams and departments who help you today.

You will then take a leap into the future by exploring everything from buildings to technology.

I would like to know what you think GOSH should be like in 20 years' time and would like to ask you some questions like – do you want to travel to GOSH in London or would you like your care closer to home?

I will be based at the back of the Lagoon restaurant. Come and meet me there to tell me about your ideas for the GOSH of the future.

COORDINATES

The time trail begins at Main Reception, Great Ormond Street Hospital, Great Ormond Street, London, WC1N 3JH.
