Dear Sir/Madam,

Thank you for your request for information processed under the Freedom of Information Act 2000. Please see our response to your request below:

**Your Request and Our Response (in bold)**

*Under the Freedom of Information (FOI) Act 2000, I would like to request the following information:*

**Please note:** The named persons have refused consent for their personal data above to be used for direct marketing purposes.

The Privacy and Electronic Marketing Regulations state that an individual must consent to processing of their personal data for marketing purposes. Re-use of their data for this purpose without explicit consent would therefore be a breach of their rights under the Data Protection Act 1998.

The Trust takes breaches reported by our staff seriously and we will make relevant complaints, including referrals to the Information Commissioner.

- *An excel document that details the land and buildings that the Trust owns or leases (asset register) and the latest valuation/values of each property/Asset; **Please see the information requested for each building owned and current valuations in the attached Excel spreadsheet titled “Values of Buildings”**. - *A link to or copy of the Trusts estates strategy/plan and STP plan*

**We asked you to clarify what specific information you were seeking to obtain in relation to Trusts estates, strategy/plan and STP plan. You responded to our request for clarification stating the following:**

*The estates strategy and/or STP estates strategy is a document that every trust and CCG/STP must develop. This document will usually discuss what the existing estate looks like and how it serves the current health needs of the population and will also discuss future development/property requirements.*
