Dear Sir/Madam,

Thank you for your request for information processed under the Freedom of Information Act 2000. Please see our response to your request below:

Your Request and Our Response (in bold)

Thank you for your response

The response states the start date as rolling, please can you provide me with the original start date of the contract provider.

GOSH is out of contract with its current supplier; but still under the exact terms and conditions of the old contract until we renew. We are migrating to EPR and there are so many unknowns, such as, number of mobile devices, types of devices, and the amount of data requirements. We cannot sign or negotiate a new contract until we have more visibility of our requirements; which is the reason we are currently in a monthly rolling contract until we can negotiate a new contract to meet our new requirements.

Please note:

The information provided under the Freedom of Information Act 2000 is the information held on the date the request was received by the Trust.

I trust the information provided is sufficient and helps to answer any concerns, questions or issues you may have.
