Dear Sir/Madam,

Thank you for your request for information, which we have processed under the Freedom of Information Act 2000. Please see our response to your following request for information:

**Your Request**

- 1. Details of any demand side response (DSR) agreements between your organisation and National Grid, including the dates of those agreements*
- 2. Copies of any of the above agreements, or relevant letters/emails exchanged with National Grid if you do not hold a formal agreement document*

*I am only seeking details/copies of agreements made in the last two years.*

**Our Response**

Great Ormond Street Hospital for Children NHS Foundation Trust (the 'Trust') is a single site, specialist tertiary paediatric trust. Our agreement is not with the National Grid; but through the approved Crown Commercial Service (CCS) framework. In regards to balancing our demand the Trust does have on site generation. We are therefore unable to respond to your specific request relating to the National Grid.

**Please note:**

The information we have provided under the Freedom of Information Act 2000 is the information held on the date your request was received by the Trust.

We hope the information provided is sufficient and helpful in answering your questions or any issues or concerns. Should you have any further queries in relation to this request, please do not hesitate to contact the FOI Team and quote the above reference number on any related correspondence.
