

HOSPITAL HABITAT

INVENT A PLACE FOR
WILDLIFE TO LIVE AT
YOUR HOSPITAL

WILD INVENTION

Choose any species of wildlife you like and invent a habitat for it to live that could be inside or in the grounds of your hospital.

To find out more about different wildlife and habitats:

Do a drawing, collage, diagram or poem below of how the habitat could look:

Hospital:

Habitat name:

What species have you chosen?

What habitat do they live in?

What part of your hospital could be changed to become this habitat and how will it work?
