

## Fellowships List – last update 1 August 2020

### Grants Advice Team

Below is a list of relevant fellowship opportunities. This is not an exhaustive list and you can find more opportunities on [GRANTfinder](#) - a comprehensive database containing thousands of funding opportunities. You must have a UCL contract (substantive or honorary) to gain access. Please contact [Jacob Sweiry](#) with your first name, last name and UCL email address to have an account set up.

Other useful resources for ICH/GOSH relevant research and major funders are:

- [NIHR](#)
- [Wellcome Trust](#)
- Research Councils: [MRC](#), [BBSRC](#), [ESRC](#), [UKRI](#)
- [Royal College of Paediatrics and Child Health](#)
- [Action Medical Research](#)
- [SLMS Research Coordination Office](#) announces internally managed calls at UCL

Please note, all research taking place at Great Ormond Street Hospital (GOSH)/UCL Great Ormond Street Institute of Child Health (ICH), and all research funding applications, must be registered with the Joint Research and Development Office. **This includes outline applications and expressions of interest.** Closing dates are deadlines for funders only. **R&D office require registration form to be sent 15 days before the funder deadline!**

UCL SLMS	<a href="#">Excellence Fellowships</a>	Salary at Grade 8 and up to £50,000 research expenses is offered. Each applicant must secure an academic SLMS sponsor.	Latest deadline: 27 Jan 2020
CRUK	<a href="#">Career Development Fellowship</a>	6 years funding to researchers who have not yet received a salaried position to establish your own independent research group	Latest deadline: 5 Feb 2020
Jacobs	<a href="#">Research Fellowship Program</a>	This scheme is aiming at improving the, development and living conditions of	Latest deadline:

## Foundation

children and youth.

16 Mar 2020

Remit: educational sciences, psychology, economics, sociology, family studies, media studies, political sciences, linguistics, neurosciences, and medical sciences.

Amount and duration: CHF 150,000 (£117k) for 3 years covering a portion of fellow's salary, assistants' salaries, equipment, technical assistance, professional travel, or trainee support.

Suitability: Candidates who are ECRs and received a PhD within the past 10 years.

<b>ESRC</b>	<a href="#">Postdoctoral Fellowships</a>	Open to applicants who have completed their PhD at a research organisation that is part of a DTP or CDT ( <a href="https://ubel-dtp.ac.uk/">https://ubel-dtp.ac.uk/</a> at UCL). Within 1 year post-PhD	Latest deadline: 23 Mar 2020
<b>CRUK</b>	<a href="#">Postdoctoral Research Bursary for Clinical Trainees</a>	£35k for 2 years for clinical trainees to undertake a research project after completion of a PhD (or MD). Must be first postdoc.	Latest deadline: 26 Mar 2020
<b>Wellcome Trust</b>	<a href="#">Research Fellowships for Health Professionals</a>	<p>Offers practising health professionals the opportunity to carry out humanities or social science research, in any area of health.</p> <p>Remit: Humanities or social science in health. Examples of areas include, but are not limited to: how social, environmental and political structures determine health; how governments, communities and individuals respond to disease and pursue wellbeing; the cultural meanings and significance of sickness and health; the challenges of modern biomedicine.</p> <p>Amount and duration: up to £400,000 for three years, including basic salary, PhD fees, research expenses.</p> <p>Suitability: Must have a relevant Master's degree or equivalent research experience. You must also have an offer of a place on a PhD programme, or evidence that you expect to receive one.</p>	Next closing date: Jan 2021
<b>NIHR</b>	<a href="#">Advanced Fellowship</a>	<p>Post-doctoral Fellowship aimed at anyone with a PhD who hasn't yet been awarded a chair.</p> <p>The Fellowship funds:</p> <ul style="list-style-type: none"><li>• full salary support, including protected time to concentrate on research</li><li>• research costs</li></ul>	Last deadline: 29 Jul 2020

- a bespoke training and development programme to meet individual needs

Applicants who are active clinicians or social workers can request for up to 40% of their time to be dedicated to clinical service/development/practice, which will be covered by the Fellowship.

Part funding through charity and industry partnerships available with focus on partner research priorities. Round 4 partners are: Castang Foundation, Moorfields Eye Charity, The Dunhill Medical Trust and Pfizer (research in atopic dermatitis or alopecia areata).

Remit: clinical and applied health research, and social care research with clear potential for directly benefiting patients/service users, carers and the public.

<b>NIHR</b>	<a href="#">Development and Skills Enhancement Award</a>	<p>Funding for post-doctoral NIHR Academy Members to gain skills and experience for the next phase of their research career. Applications from the following areas of strategic importance are particularly welcomed:</p> <ul style="list-style-type: none"> <li>• health data science</li> <li>• clinical trials</li> <li>• entrepreneurship and working with industry</li> </ul>	<p>Last deadline: 31 Jul 2020</p>
<b>Wellcome Trust</b>	<a href="#">Clinical Research Career Development Fellowships</a>	<p>Postdoctoral research for clinically active healthcare professionals.</p> <p>Remit: Clinical research</p> <p>Amount and duration: Up to 8 years funding covering salary, research support (staff) and expenses</p> <p>Suitability: You are a healthcare professional (medicine, AHP, nurse etc) with a PhD.</p>	<p>Last deadline: 4 Aug 2020</p>

## EARLY TO MID-CAREER FELLOWSHIPS

FUNDER	CALL	FUNDING NOTES	DEADLINES
<b>Wellcome Trust</b>	<a href="#">Clinical Research Career Development Fellowship</a>	Postdoctoral research for clinically active healthcare professionals with a PhD/MD. Two stages apply: Exploration/consolidation for early postdocs and Early independence for later stage ECRs.	5 Aug 2020

		<p>Remit: Clinical research</p> <p>Amount and duration: Up to 8 years supporting basic salary, research expenses, funding for up to one research post (stage 2 only, PDRA, technician)</p> <p>Suitability: Healthcare professionals with a PhD who want to balance clinical work with research. Should have an honorary clinical contract with a healthcare organisation to maintain clinical skills.</p>	
<b>MRC</b>	<a href="#">Career Development Award</a>	<p>Supports postdoctoral researchers to lead their own research plans and establish their own research team to transition from PDRA to independent investigator.</p> <p>Remit: all areas of the MRC's scientific remit</p> <p>Amount and duration: 5 years covering full personal salary costs, together with support for research staff, consumables expenses, travel costs and capital equipment appropriate for the research project.</p> <p>Suitability: Applicants are normally expected to hold a PhD. Applicants proposing to continue their existing work, which is indistinct from their current group / leader, are not suitable to apply to the scheme and will be rejected.</p> <p>Offers joint awards with the Multiple Sclerosis Society, Parkinson's UK, The Royal College of Paediatrics and Child Health, The Borne Foundation and The Tuberous Sclerosis Association.</p>	16 Sept 2020
<b>Royal Society</b>	<a href="#">University Research Fellowship</a>	<p>This scheme is for outstanding scientists who are in the early stages of their research career and have the potential to become leaders in their field.</p> <p>Remit: Natural Sciences (incl. biological research)</p> <p>Amount and duration: 5 years funding covering salary, research expenses, research assistance</p> <p>Suitability: ECR 3-8 years since PhD.</p>	3 Sept 2020
<b>Currently closed /Opens soon</b>			
<b>AMS</b>	<a href="#">Clinician Scientist Fellowships</a>		TBC
<b>Diabetes UK</b>	<a href="#">Harry Keen Intermediate Clinical Fellowship</a>	Must have a PhD or MD. 5 Years funding	<p>Latest deadline:</p> <p>Jan 2020</p>

<b>NIHR</b>	<a href="#">HEE/NIHR ICA Clinical Lectureship Round 6</a>	<p>Supports early career post-researchers to establish themselves as independent clinical academic researchers.</p> <p>Remit:</p> <p>Amount and duration: The fellowship funds:</p> <ul style="list-style-type: none"> <li>• up to 60% of total salary</li> <li>• the costs of the approved research project</li> <li>• the cost of a personal training and development programme</li> </ul> <p>Suitability: support health and social care professionals who are not doctors or dentists</p>	<p>Latest deadline:</p> <p>6 May 2020</p>
<b>UKRI</b>	<a href="#">Future Leaders Fellowships</a>	<p>Please note, UCL is required to submit a limited number of applications (although there is no formal cap) to maintain high quality of applications put forward. Please refer to <a href="#">SLMS Research Coordination Office</a> relevant processes if you are considering to apply.</p> <p>Remit: Any research council</p> <p>Amount and duration: Up to £1.2M for 4 (+3 years extension).</p> <p>Suitability: This scheme is open to early career researchers who are transitioning to or establishing independence; senior academics are not eligible.</p>	<p>Internal deadline for Round 6 TBA.</p>
<b>BBSRC</b>	<a href="#">Discovery Fellowships</a>	<p>The DF will support the transition of early stage researchers to fully independent research leaders.</p> <p>Remit: any area of science within BBSRC remit, particularly aligned to strategic priorities</p> <p>Amount and duration: £300,000 over 3 years to support personal salary as well as travel and subsistence, training activities, and research consumables, but not equipment.</p> <p>Suitability: Applicants should have a PhD but there are no longer restrictions to years of postdoctoral experience. Applicants must not hold a permanent academic position.</p>	<p>Latest deadline</p> <p>11 Jun 2020</p>
<b>Wellcome Trust</b>	<a href="#">Research Fellowships in Humanities and Social Science</a>	<p>Supports postdoctoral researchers in health-related humanities and social sciences who do not hold established academic posts.</p> <p>Remit: Humanities or social science in health.</p> <p>Amount and duration: up to £275,000 for three years, including basic salary, research expenses.</p> <p>Suitability: Must have a relevant PhD or equivalent research experience, and a</p>	<p>Next deadline Jan 2021</p>

sponsorship from eligible host organisation.

<b>NIHR</b>	<a href="#">Advanced Fellowship</a>	<p>Post-doctoral Fellowship aimed at anyone with a PhD who hasn't yet been awarded a chair.</p> <p>The Fellowship funds:</p> <ul style="list-style-type: none"> <li>• full salary support, including protected time to concentrate on research</li> <li>• research costs</li> <li>• a bespoke training and development programme to meet individual needs</li> </ul> <p>Applicants who are active clinicians or social workers can request for up to 40% of their time to be dedicated to clinical service/development/practice, which will be covered by the Fellowship.</p> <p>Part funding through charity and industry partnerships available with focus on partner research priorities. Round 4 partners are: Castang Foundation, Moorfields Eye Charity, The Dunhill Medical Trust and Pfizer (research in atopic dermatitis or alopecia areata).</p> <p>Remit: clinical and applied health research, and social care research with clear potential for directly benefiting patients/service users, carers and the public.</p>	Last deadline:
			29 Jul 2020

## MID-CAREER/INTERMEDIATE FELLOWSHIPS

FUNDER	CALL	FUNDING NOTES	DEADLINE
<b>Wellcome Trust</b>	<a href="#">Sir Henry Dale Fellowship</a>	<p>Support for postdoctoral researchers who aim to become independent scientists leading their own groups.</p> <p>Remit: basic biomedical research (non-clinical) and public health research</p> <p>Amount and duration: 5 (+3) years of funding, including salary, research expenses.</p> <p>Suitability: Must have a PhD and significant postdoctoral experience, driving own research, as well as sponsorship from your host.</p>	10 Sept 2020
<b>MRC</b>	<a href="#">Clinician Scientist Fellowship</a>	<p>Remit: Clinical research in any area of MRC remit</p> <p>Amount and duration: 4 years (5 for patient-focused proposals or where tenure track CSFs with</p>	2 Sept 2020

host paying last year of salary) covering salary costs, research staff and expenses.

Suitability: Medically/clinically qualified professionals with a higher research degree to lead their own research plans and establish a research team to transition into independent investigator. Medical graduates should be of specialty registrar (StR) or consultant status. Nurses, midwives and other allied health professionals must have completed their professional training.

#### Current closed/opens soon

BBSRC	<a href="#">David Phillips Fellowship</a>	Provides support for researchers wishing to establish their first independent research group.	Latest deadline
		Remit: any area of science within BBSRC remit, particularly aligned to strategic priorities Amount and duration: £1M over 5 years. Suitability: Significant institutional support is expected. Applicants must have a PhD and should not hold, or have held, an academic position.	11 Jun 2020
NIHR	<a href="#">Advanced Fellowship</a>	Post-doctoral Fellowship aimed at anyone with a PhD who hasn't yet been awarded a chair.	Last deadline:
		The Fellowship funds: <ul style="list-style-type: none"><li>• full salary support, including protected time to concentrate on research</li><li>• research costs</li><li>• a bespoke training and development programme to meet individual needs</li></ul> Applicants who are active clinicians or social workers can request for up to 40% of their time to be dedicated to clinical service/development/practice, which will be covered by the Fellowship. Part funding through charity and industry partnerships available with focus on partner research priorities. Round 4 partners are: Castang Foundation, Moorfields Eye Charity, The Dunhill Medical Trust and Pfizer (research in atopic dermatitis or alopecia areata). Remit: clinical and applied health research, and social care research with clear potential for directly benefiting patients/service users, carers and the public.	29 Jul 2020

## ESTABLISHED CAREER FELLOWSHIPS

FUNDER	CALL	FUNDING NOTES	DEADLINE
--------	------	---------------	----------

ERC	<a href="#">Advanced Grant 2020</a>	<p>Open to active, well established researchers of any nationality who wish to carry out their frontier research, in any field or subject, in the EU Member States or associated countries.</p> <p>Remit: Research funded by the ERC is expected to lead to advances at the frontiers of knowledge and to set a clear and inspirational target for frontier research across Europe.</p> <p>Amount and duration Up to a maximum of €2.5 million for a period of five years.</p> <p>Suitability: applicants are expected to be active researchers and to have a track record of significant research achievements in the last 10 years.</p>	26 Aug 2020
MRC	<a href="#">Senior Non-Clinical Fellowship</a>	<p>Supports researchers with a track record of effectively leading their own independent research to make the transition to research leadership and become an internationally recognised leader in their field.</p> <p>Remit: Any MRC science areas</p> <p>Amount and duration: 5 years, costs including salary, research expenses.</p> <p>Suitability: Applicants should hold a PhD (or equivalent); there are no eligibility rules based on years of post-doctoral experience, but expertise level must fit one described in <a href="#">applicant skills and experience</a> table.</p>	16 Sept 2020
Wellcome Trust	<a href="#">Principal Research Fellowships</a>	<p>5-7 year funding for researchers of international standing</p> <p>Remit: Basic biomedical, clinical and public health research</p> <p>Duration and amount: 5 or 7 years, covering salary, Distinction Award, research expenses.</p> <p>Suitability: Must be an established researcher of international standing, with sponsorship in host institution. If you already hold an established post, you are unlikely to be eligible. You should hold Senior Research fellowships in the UK or be moving to the UK. Host must commit 50% of employment costs upon renewal of the award every 5 years and an established post after the award end.</p>	Anytime

<b>BHF</b>	<a href="#">Clinical Research Leave Fellowships</a>	Allows NHS staff to take PAs for research in a recognised UK centre of excellence in cardiovascular medicine	Anytime
<b>Schemes currently closed/upcoming</b>			
<b>MRC</b>	<a href="#">Senior Clinical Fellowship</a>	<p>Supports medical/clinical professionals, with an effective track record of internationally competitive independent research, to make the transition to research leadership.</p> <p>Remit: Any MRC science areas</p> <p>Amount and duration: 5 years, costs including salary, research expenses.</p> <p>Suitability: Medically or clinically qualified professionals with a PhD at least 5 years before the application and have significant postdoctoral experience.</p> <p>Opportunity for Joint funding with Motor Neuron Disease (MND) Association</p>	Next opening March 2021
<b>CRUK</b>	<a href="#">Senior Cancer Research Fellowship</a>	6 years funding to build your own research programme	<p>Latest deadline:</p> <p>5 Feb 2020</p>
<b>Royal Society</b>	<a href="#">Wolfson Fellowships</a>	Long-term funding in making strategic research appointments through the recruitment and retention of outstanding senior researchers.	<p>Latest deadline:</p> <p>31 Jan 2020</p>
<b>NIHR</b>	<a href="#">Global Research Professorships</a>	*Institutional selection process may apply	Opens: 1 Sept 2020
<b>Wellcome Trust</b>	<a href="#">University Awards in Humanities and Social Science</a>	<p>Enables humanities and social science researchers to gain permanent positions at academic organisations.</p> <p>Remit: Humanities or social science in health.</p> <p>Amount and duration: 5 years, costs including basic salary, research expenses.</p> <p>Suitability: Must be at lecturer, senior-lecturer or reader level. Must be nominated by a HoD and the host must guarantee a permanent academic position at the end of the award.</p>	Next deadline Jan 2021
<b>Wellcome Trust</b>	<a href="#">Senior Research Fellowships</a>	<p>Support independent researchers who are emerging as global leaders in their field.</p> <p>Remit: Clinical, public health and basic science in WT remit</p>	<p>Last deadline:</p> <p>16 July 2020</p>

Amount and duration: 5-7 years with salary and research expenses covered.

Suitability: PhD with significant research experience. You are not usually eligible if you have a permanent or rolling employment contract.

If you are thinking of applying, we strongly encourage you to contact the relevant person in WT [Science team](#) first.

## FLEXIBLE SUPPORT AND RETURN TO RESEARCH

FUNDER	CALL	FUNDING NOTES	DEADLINE
MRC	<a href="#">Clinical Research Training Fellowship: Post-Doctoral</a>	Offers applicants with a PhD some time ago but have not been research active since a route to reacquire research skills to then be competitive at the <a href="#">Clinician Scientist Fellowship</a> level.	2 Sept 2020
Wellcome Trust	<a href="#">Research Career Re-entry Fellowships</a>	<p>For postdoctoral biomedical research scientists to re-establish their scientific careers after a continuous break from research of at least 2 years.</p> <p>Duration and costs: Up to 4 years funding salary and research expenses</p> <p>Remit: Health research</p> <p>Suitability: Must have a PhD and postdoctoral experience and a continuous career break for at least 2 years.</p>	29 Sept 2020
BBSRC	<a href="#">Returners to Research Fellowship</a>	<p>Scientists wishing to return to research after a career break of two or more years for family, caring or health reasons.</p> <p>Duration and costs: 2 years part-time including salary costs, but not consumables or research expenses.</p> <p>Remit: Bioscience</p> <p>Suitability: Must have a PhD (or 2 years research experience in industry) and at least 2 years career break for family, caring or health reasons.</p>	Anytime
BHF	<a href="#">Career Re-entry</a>	An opportunity to re-establish a career in cardiovascular science in an established research	Anytime

	<a href="#">Daphne Jackson Fellowship</a>	<p>Retraining fellowships for women and men who have taken a break of two years or more from STEM research for family, caring or health reasons.</p> <p>Duration and costs: 2 years part-time including salary costs, but not consumables or research expenses (should be provided by the host).</p> <p>Remit: STEM</p> <p>Suitability: Must have a PhD (or 2 years research experience in industry) and at least 2 years career break for family, caring or health reasons.</p>	<p>Anytime if identified a host or responsive mode:</p> <p>TBA</p>
MRC	MRC Fellowships	<p>MRC provide flexible support recognising different career paths and thus removed eligibility criteria based on years of post-doc experience. To identify suitable fellowship for your level of skills and experience, please refer to this page: <a href="https://mrc.ukri.org/skills-careers/skills-needed-to-win-support/">https://mrc.ukri.org/skills-careers/skills-needed-to-win-support/</a></p>	By scheme
Schemes currently closed/upcoming			
Dorothy Hodgkin	<a href="#">Dorothy Hodgkin Fellowship</a>	<p>Funding for early career researchers who require a flexible working pattern due to personal circumstances, such as parenting or caring responsibilities or health issues.</p> <p>Duration and costs: 5 years including salary, research support, research expenses.</p> <p>Remit: Natural Sciences</p> <p>Suitability: Must prove a need for flexible support; open to PhDs with no more than 6 years postdoctoral experience.</p>	Opens Sept 2020

## INTERNATIONAL FELLOWSHIPS: COMING TO THE UK OR GOING ABROAD

CALL	FUNDING NOTES	DEADLINE
Currently closed/Opens soon		
<a href="#">Daniel Turnberg Travel Fellowships</a>	<p>Supports early-career biomedical researchers to undertake short-term visits to further their research experience between the UK and the Middle East.</p> <p>Remit: Human health research</p> <p>Amount and Duration: Up to £3,500 to cover airfare and a subsistence allowance for a period of up to four weeks.</p> <p>Suitability: Open to medical and non-medical graduates. Applicants must either be based in the UK and plan to work in one of the other countries, or intend to come to a UK institution from one of the other countries.</p>	<p>Closed</p> <p>Latest deadline: 15 Jan 2020</p>
<a href="#">Newton Advanced Fellowships</a>	<p>An opportunity for established international researchers to develop the research strengths and capabilities of their research group through training, collaboration and reciprocal visits with a partner in the UK.</p> <p>Remit: Clinical and patient oriented research</p> <p>Amount and Duration: £37,000 pa for up to 3 years, including salary top up.</p> <p>Suitability: Lead applicant must have a PhD with a max of 15 years postdoc experience and hold a contract for the duration of this fellowship.</p>	<p>Latest deadline: 10 Mar 2020</p>
<a href="#">Newton International Fellowships</a>	<p>Support for early career international researchers from partner countries to undertake a research project for an extended period with leading researchers in the UK. <b>This round is open to applicants based in China and Brazil.</b></p> <p>Remit: Clinical and patient oriented research</p> <p>Amount and Duration: £32,000 pa for up to 2 years, including subsistence costs.</p> <p>Suitability: Lead applicant must have a PhD (or be in the final stage) with a max of 7 years postdoc experience. Not hold a UK citizenship and be working outside of the UK at the time of application.</p>	<p>Latest deadline: 26 Mar 2020</p>
<a href="#">IARC/CWC Postdoctoral Fellowships for Training in Cancer Research</a>	<p>Remit: Research related to paediatric cancers or cancers affecting teenagers and young adults</p> <p>Amount and duration: 2 years up to £ 60,900</p> <p>Suitability: Candidates are required to have obtained a doctoral degree in the five years preceding the start date of</p>	<p>Latest deadline: 30 Jun 2020</p>

the fellowship, or must be in the final year of their doctoral degree and be awarded their degree by the start of the fellowship. Candidates holding only an MD are also eligible to apply.

Specific areas of interest for this call include:

- Nutrition, metabolism and childhood cancer.
- Identification of epigenetic markers of early-life factors in association with childhood cancer risk.
- Exploring childhood cancer risk in industrially contaminated areas in Europe using data from population-based cancer registries.
- Contribution to the project "Cancer risk in childhood cancer survivors (CRICCS): understanding the causes to target prevention".
- Exploration of the meaning of socioeconomic status within and across CLIC studies.
- Comparison of job-exposure-matrices from CLIC and the International Childhood Cancer Cohort Consortium to explore the role of pesticides in the aetiology of childhood leukaemia.

Fellowships are tenable at IARC in Lyon, France, working in a research group.

## FOR PERMANENT ACADEMICS/NEW LECTURERS

CALL	FUNDING NOTES	DEADLINE
