## Scientist & Technologist Career Structure

### Principal Scientist – Band 8b

Starting salary £52,306+ High Cost Area

Required to have HCPC registration & FRCPath Part 1.  
Working towards Part 2.

[www.hcpc-uk.org/registration](http://www.hcpc-uk.org/registration)

[www.rcpath.org](http://www.rcpath.org)

Considerable experience working as a Clinical/Senior Scientist

### Senior Scientist – Band 8a

Starting salary £44,606+ High Cost Area

Required to have HCPC registration & FRCPath Part 1.

[www.hcpc-uk.org/registration](http://www.hcpc-uk.org/registration)

[www.rcpath.org](http://www.rcpath.org)

Considerable experience working as a Clinical Scientist

### Clinical Scientist – Band 7

Starting salary £37,570+ High Cost Area

Required to have HCPC Registration

1st/Upper 2nd class honours degree in a biological  
subject with a substantial Genetics component.

[www.hcpc-uk.org/registration](http://www.hcpc-uk.org/registration)

### Trainee Scientist/ Pre-Reg Scientist – Band 6

Starting salary £30,401+ High Cost Area

Working towards HCPC Registration  
as a clinical scientist via STP/Route 2 ACS

**Route in: STP** (3 year programme – academic &  
work based learning) <https://youtu.be/Tllch4onkjk>  
<https://nshcs.hee.nhs.uk/programmes/stp>

**Route in: Pre-registration Scientist**  
<http://assclnsci.org/acsApplicants/acsRegistration.aspx>  
<https://www.ahcs.ac.uk/equivalence>

### Lead Technologist – Band 7

Starting salary £37,570+ High Cost Area

Degree in a biological subject, significant laboratory  
& management experience.

### Senior Technologist – Band 6

Starting salary £30,401+ High Cost Area

Degree in a biological subject &  
significant laboratory experience.

### Genetic Technologist – Band 5

Starting salary £24,214

+ High Cost Area

Minimum HNC/HND or Diploma in science  
Relevant genetics laboratory experience and skills

### Assistant Genetic Technologist – Band 4

Starting salary £21,089

+ High Cost Area

HNC/HND or Diploma in science  
Genetics laboratory experience

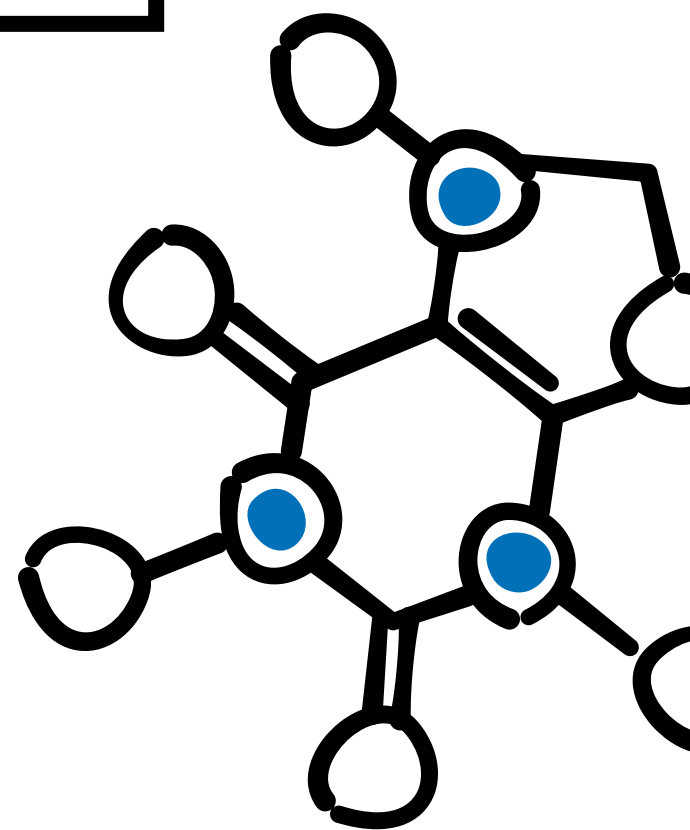

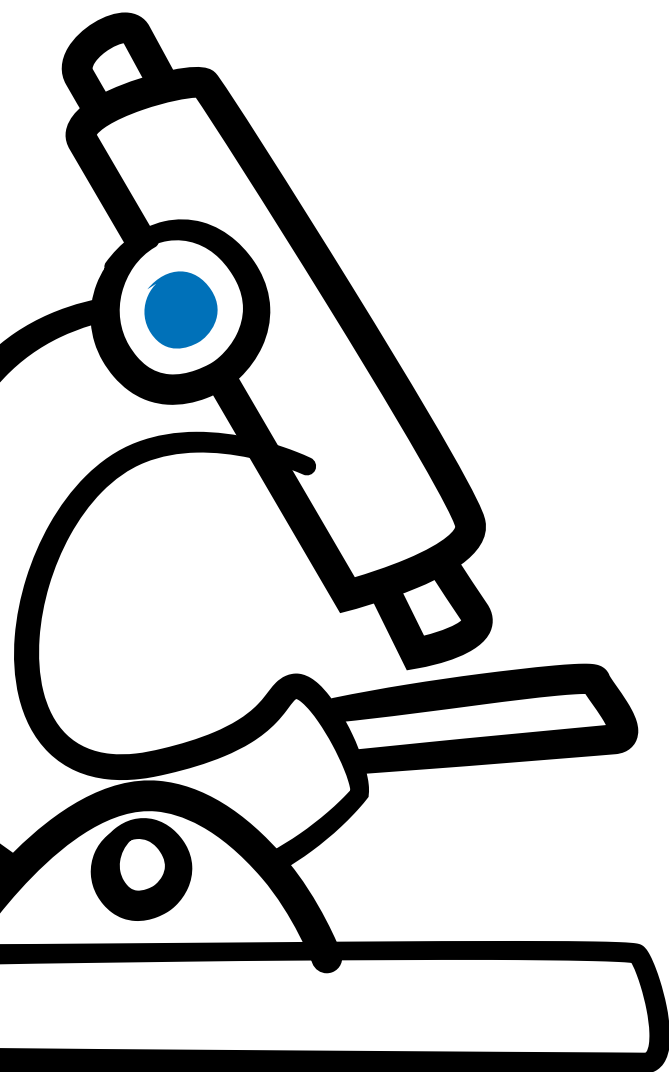

### Technical Support Officer or Genetic Laboratory Technologist – Band 3

Starting salary £18,813 + High Cost Area

### Laboratory Assistant – Band 2

Starting salary £17,652 + High Cost Area
