

Anaesthetic pre-assessment

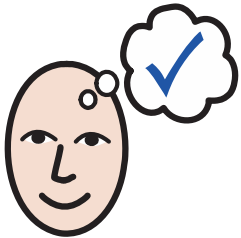

You are going to have an operation or test with an anaesthetic

You will have an appointment before the operation or test

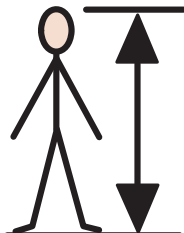

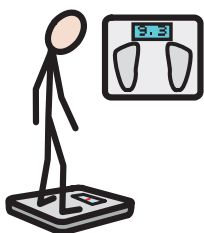

We want to check that you are well enough

We also want to make sure you understand what will happen

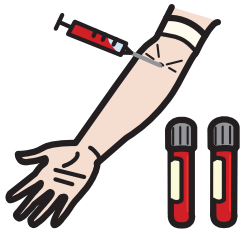

We will ask you and your parent to fill in some forms

We may weigh you
We may measure how tall you are

Anaesthetic pre-assessment

Great Ormond Street
Hospital for Children
NHS Foundation Trust

We may take some blood tests

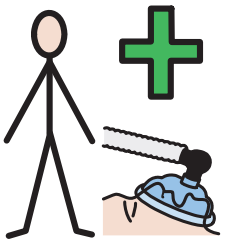

We will take your temperature

We will listen to your heart and breathing

You will meet one of our nurses

You may meet an anaesthetist
You may need to see another doctor

If you have any questions, ask us
