

Great Ormond Street Hospital for Children NHS Foundation Trust: Information for Families

# The Lung Function Unit has moved

**From 26<sup>th</sup> March 2012, the Lung Function Unit will be located on level 1 of the Morgan Stanley Clinical Building (MSCB).**

To get here, take the Variety Club Building (VCB) lifts or stairs down to level 1 and follow the corridor towards the Cardiac Wing – the entrance to the MSCB is opposite the entrance to the MRI Unit. From here, follow the signs to the Lung Function Unit.

If you have any questions, please telephone the Lung Function Laboratory on 020 7405 9200 ext 5456 or the Infant Lung Function Team on 020 7405 9200 ext 0404 or 5454.
