

UCL Research Services will close on Friday 20 December at 5pm and re-open at 9am 2 Jan 2020. For proposals to be checked and submitted prior to the Christmas closure period the Worktribe proposal must be at 'Bid Approval' status with Pre-Award by 5pm Wednesday 11 December. Where proposals are required to be submitted via an online funder portal, the proposal must be on the portal with Research Support by 9am Thursday 19 December.

**NIHR Funding** **GOSH BRC Funding**  
**Funding opportunities—long list**

**HIGHLIGHTED FUNDING OPPORTUNITIES**

[Global Health Policy and Systems Research Commissioned Awards 2019](#)

**Deadline: 11 December 2019**

[Programme Development Grants - Competition 26](#)

**Deadline: 18 December 2019**

[Clinical & cost effectiveness of pulse oximetry screening for hypoxaemia in newborn babies](#)

**HTA Call. Deadline: 1 April 2020**

[Brain Research UK Grant call 2020](#)

**Deadline: 25 February 2020**

Preliminary grant applications for translational research projects under one of three priority themes: acquired brain and spinal cord injury, neuro-oncology, and headache and facial pain.

[Career Development Fellowship](#)

**Deadline: 5 February 2020**

Funding for early postdoctoral scientist for 6 years to establish your own independent research group.

[Senior Cancer Research Fellowship](#)

**Deadline: 5 February 2020**

Funding for leading scientist for 6 years to build their own research programme.

[Application of whole genome sequencing approaches to cancer](#)

**Deadline: 22 January 2020**

UK businesses and research organisations can apply for a share of up to £5.4 million. This is for projects involving the application of whole genome sequencing to analyse cancers.

[SUSTAIN](#)

**Deadline: 29 November 2019**

Enables female researchers to thrive in their independent research careers through an innovative programme of training and support to develop participants' leadership and career potential.

[WEISS Health Challenge 2020](#) **Deadline: 15 January 2020**

Open to doctors, nurses, AHPs, managers and commissioners working in specified areas of surgery/intervention

[WEISS Senior Clinical Fellowships 2020](#) **Deadline: 15 January 2020**

Applications are open to all consultants and trainees in their final two years of SpR training at any UCL Partner Hospital.

**Jon Moulton Charity Trust**

**Deadline: 20 December 2019**

Applications for clinical trials research grants. £15 million will be available to fund up to fifteen projects. The Trustees hope that trials in immuno-oncology will form a significant proportion of the awarded grants but they encourage applicants to submit all projects that meet the criteria below:

1. Be a clinical trial of a medicinal product, device or clinical procedure.
2. Have a reasonable prospect of improving treatment.
3. Will provide initial outcomes of the trial within 36 months of grant activation.
4. Cannot be readily funded elsewhere.

**Please get in touch with [Simona Santojanni](#) in the OVPA to get further guidelines as soon as possible.**

[New Investigator](#)

**Deadline: 8 January 2020**

Research proposals from newly appointed lecturers in the following boards: Molecular & Cellular Medicine; Infections & Immunity; Population & Systems Medicine; Neurosciences & Mental Health).

[Public Health Intervention Development Scheme \(PHIND\): System based approaches](#)

**Deadline: 22 January 2020**

[Clinical Study Grants](#)

**Deadline: Anytime**

For clinical trials and observational studies over £300k >3 years

[ASAP Collaborative Research Network: Open for Pre-proposal Applications](#)

**Deadline: 8 January 2020**

Up to \$9 million over three years, per team, to fund research projects that address key knowledge gaps in the basic mechanisms that contribute to Parkinson's development and progression.

[2020 PANCAN Translational Research Grant](#)

**Deadline: 6 December 2019**

Amount: \$500,000 | Duration: Two years

[2020 PANCAN Career Development Award](#)

**Deadline: 13 December 2019**

Amount: \$200,000 | Duration: Two years

**NEWS, EVENTS, ANNOUNCEMENTS**

[ERC 2020 Consolidator Grant: Information and Proposal Writing Event](#)

**Friday 22 November 2019, 10:00-15:00**

London School of Economics

The session is aimed at researchers based in, /moving to the UK, who are planning to submit a proposal to the 2020 ERC Consolidator Grant call.

[What does a great lay summary look like?](#)

Read real-world examples provided by the Academic of Medical Sciences of a good lay summary and get tips on how to connect with general audience.

[Good Academic Citizenship Career Development Event](#)

**11 December 2019, Bristol**

This free to attend event will explore what makes a good academic citizen and provide time for attendees to actively develop new networks, as well as hear from inspirational speakers.

[Global Health Networking event](#)

**15 January 2020, 15:00-18:00, UCL**

This event brings together the Global Health community at UCL conducting research in LMICs to learn about activities around UCL and promote collaboration. There will be an opportunity for attendees to present their research.

Due to limited number of spaces the event is mainly for academics in permanent contracts of lecturer and above. If you are an early career researcher and particularly want to attend please email us ([oda-research@ucl.ac.uk](mailto:oda-research@ucl.ac.uk))

[NIHR "Paediatric Involvement and Engagement in Research \(PIER\)" Prize](#)

**Deadline: 30 November 2019**

The PIER Prize is open to research active paediatricians and paediatric focused research teams up to 4 people. To be eligible for this award you must deliver a research study on the NIHR CRN portfolio. The winner(s) will receive a trophy and free attendance to RCPC Conference and Exhibition 2020 (including reasonable expenses).

**18 – 22 November 2019**

Meet us at a **Research & Innovation stall**

[Research Design Service drop-in session](#)

**3 December 2019, 11:00-13:00**

**Lower Ground Floor Seminar Room (ICH)**

**Please ensure you acknowledge the BRC in your publications.** NIHR Great Ormond Street Hospital Biomedical Research Centre (BRC) has provided important infrastructure funding for research at the Great Ormond Street Institute of Child Health (ICH) and Great Ormond Street Hospital (GOSH), since we were first awarded BRC-status in 2007. This research infrastructure contributes to all research that goes on at the ICH and GOSH, and it is very important that it is acknowledged in all our publications, including conference and meeting abstracts. Full details of how to acknowledge the BRC can be found [here](#).
