Dear Parents,

Could you please fill in the enclosed documents and return them in the attached envelope. Alternatively, please scan the completed documents and email them to my secretary on Peter.Sweeney@gosh.nhs.uk

When you have completed the headache diary, could you please take a picture of it on your smartphone or bring it with you to the consultation.

You may also have taken a number of medicines for your headache in the past. We would be grateful if you could make a list of them in the table overleaf. If you are not sure of the doses or names of the medications could you make an appointment to see your GP and ask about the medicines.

Please be careful to get the doses as this is very important in your management. If you use a non-prescribed drug that you buy over-the-counter, please do list this also.

Many Thanks

Dr Prab Prabhakar
Consultant Paediatric Neurologist
