Dear Sir/Madam,

Thank you for your request for information processed under the Freedom of Information Act 2000. Please see our response to your following request for information:

Your Request

Please can you tell me how many of the following device - PCS2 Plasma Collection System from a company called Haemonetics - GOSH has used over the last 10 years and how many of these devices are currently in operation.

Please provide a figure for each year over the last 10 years. If possible, please also state how many patients have had this device used on them.

Our Response

Great Ormond Street Hospital for Children NHS Foundation Trust (the 'Trust') is a single site, specialist tertiary paediatric trust. The Trust has never used the device 'PCS2 Plasma Collection System' at GOSH. We cannot therefore respond to your request for information.

Please note:

The information we have provided under the Freedom of Information Act 2000 is the information held on the date your request was received by the Trust.

We hope the information provided is sufficient and helpful in answering your questions or any issues or concerns. Should you have any further queries in relation to this request, please do not hesitate to contact the FOI Team and quote the above reference number on any related correspondence.

Re-use of information

The information provided is Trust copyright. You may re-use this Great Ormond Street Hospital for Children NHS Foundation Trust copyright information in accordance with the Open Government Licence: <http://www.nationalarchives.gov.uk/doc/open-government-licence/version/2/> (Please note that re-use of personal data is not allowed under this license.)

For information which is not Great Ormond Street Hospital for Children NHS Foundation Trust copyright, e.g. external websites, please contact the named party directly.

Yours sincerely
