Dear Sir/Madam,

Thank you for your request for information processed under the Freedom of Information Act 2000. Please see our response to your following request for information from Great Ormond Street Hospital NHS Foundation Trust.:

Your Request and our Response(in bold)

1. How many whistleblowing contacts have been raised within the Trust in the following time periods:

March 2019
April 2019
March 2020
April 2020

If possible, please break this down by whether the case was raised with:

- a) The Trust's Freedom to Speak Up Guardian
- b) The Trust's other persons with responsibility for whistleblowing? This could include (but may not be limited to): executive director with responsibility for whistleblowing; non-executive director with responsibility for whistleblowing.

If it isn't possible to break it down in such a fashion, just give the aggregate figures.

If you are unable to give a specific monthly tally for March and/or April 2019, you may provide the total number for the year.

If you are unable to give a specific monthly tally for March and/or April 2020, you may provide the total number for the year to date.

There has been one Whistle blowing contact during the time frame specified which was in Feb 2020

2. Does the Trust hold data about these contacts/cases in a spreadsheet or database? If so, please could you provide a list of the data fields – for clarity, this could include but is not limited to categories such as “type of complaint”, “status of complaint”, etc.

For each item on the list of data fields, please state if the value is to be filled in as a free text field, or a value selected from a drop-down menu. For each of the fields where a value is to be selected from a drop-down menu, please include the options from the drop-down menu.
